

HOUR OF CODE

A Professional Development Opportunity from BMCC and EOU and Code.org

More info at math.bluecc.edu

Learn how to host an Hour of Code Event

Training Sessions

BMCC, Pendleton,

Science Building, Room ST-208

- Wednesday, November 15 from 6-8pm
- Thursday, November 30 from 6-8pm

BMCC, Hermiston,

EOHEC, computer lab

- Monday, November 20 from 6-8pm

math.bluecc.edu
code.org/learn

Attend two training sessions and host an Hour of Code in your classroom or at your school to receive one PDU.

Details on how to host either type of event will be given at the training sessions.

If you can't make it to Pendleton or Hermiston, but are available at those times, then you can stream the training online through Google Hangouts/YouTube Live.

Remote log in details available at math.bluecc.edu
